CHAFFER CARE INSTRUCTIONS

Before returning the chafing dish, please wipe clean the outside of the chaffer base and cover. Please wipe dry the water pan.

Please wipe any food off the lid and rinse out the food pan so there're no food left in it.

Please do not put a dirty food pan back in the cambro/hot box. Please return it separately.

Should the chaffer or pans be returned dirty, you will be charged for cleaning.

Please don't forget to return the stainless cups the fuel sits in. If the fuel is empty, no need to return.
